POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

CLUB NOTES

Seniors and Reserves start with two draws

We are hoping for the usual lively, attractive tussle with our visitors from Cardiff to-night, and are reasonably sanguine after an animated, fighting display which earned a 3-3 point at Ninian Park. It will be recalled that there were eight goals in last season's meetings — all by Preston in two 4-0 wins.

What fun if the events of September 1st, 1954, could be repeated ! Finney, Foster, Wayman, Baxter and Morrison, our Wembley attack the previous May, all scored in a 7-1 victory, this after success at Cardiff by 5-2 a week earlier. We started that season with these results : 5-0, 5-2, 0-1, 7-1 and 3-3.

While North End first or second teams failed to strike a winning vein in their first two matches, they did not lose either ; in fact there was merit in all four displays. The two at Deepdale v. Rotherham and Stoke Reserves, certainly saw Preston very much in the ascendancy and unlucky not to win.

Considering what Rotherham did in their next match (4-2 v. Swansea) it was a good performance to hold them to a goalless draw at Deepdale with Alex Dawson off injured for 80 minutes. Rotherham, seventh in the final table, were the second highest scorers in Division Two last season with 90 goals.

CLUB NOTES—continued

Excellent fighting spirit was shown against them, especially in the second half when North End made light of their handicap in strongly taking the initiative. We would have won but for two or three missed chances and some good goalkeeping by Ron Ironside. Alec Ashworth had bad luck with a great shot in the last minute.

The crowd at the Reserve match the following Monday evening saw much to appreciate in the highly promising form of our three young newcomers Mike Wearmouth, centre half from Barrow, Ernie Hannigan outside right from Queen of the South, and Tony Coleman, outside left from Tranmere Rovers. They left a good impression.

Both wingers sparkled — Hannigan with nippy, deceptive footwork and Coleman with his centres, and Wearmouth looked calm and collected. It has been our aim for some time to stiffen the Reserves and these signings should definitely help. The process of team-building will be continued on similar lines.

North End are a progressive club and want promotion. That is our aim. But it is no use having such ambitions unless you have reliable reserves to fall back upon. So much is already evident from our experience in the first two matches, which put three of the Cup Final team on the casualty list — Dawson, Alan Kelly and Jim Smith. We were glad to have players of the calibre of Godfrey, Barton and Donnelly to step in.

We played well at Cardiff, rallying to 3-3 after a goal lead had been swept away by pressure which quickly put the home team ahead by 3-1.

KNOW YOUR TEAM 2.— *Alex Dawson*

Many famous players have gone through a football lifetime without a Wembley appearance. Alex Dawson at 24 has played there twice — in Cup Finals. He was Manchester United's youthful outside right after the Munich tragedy and North End's centre forward last season. Twice he was on the losing side, but he has still every reason to be proud. It will not be for want of effort if he does not eventually gain the coveted winner's medal. Deservedly a Deepdale favourite big Alex pleases teenagers, old-timers and the in-betweens alike because he so obviously has enormous zest for a game which he plays cheerfully and well in a sporting spirit. His value to North End is evident from his excellent record of 61 League goals in 102 appearances since leaving Manchester United in the autumn of 1961. In the Cup last season he got six goals out of 12. He scored on his debut at Rotherham. Against the same club last Saturday he was injured : bad luck for a player who had missed only two games in the two previous seasons and bad luck too for us. Born at Aberdeen and brought up in Yorkshire, Alex has an accent quite unrelated to his native Scotland !

OUR VISITORS—*Cardiff City*

The club and our supporters extend a warm welcome to Cardiff City, who, like North End, have had their ups and downs in recent years. Promoted just after the last war from the Third Division (South) they were again elevated after five years in Division Two, and had enjoyed senior status for a similar period when relegated.

After three seasons the club returned to the First Division, but stayed only two years. This is their third season in Division Two since going down in 1961-2, one year after North End's departure from the top flight.

Founded in 1889 as "Riverside," Cardiff became a professional club with their present name in 1910 and earnestly undertook a pioneer role. They were members of the Southern League 1913-15, 1919-20, when elected to the Football League Division Two.

North End first played Cardiff City in February, 1922 at Ninian Park in Division One, losing 0-3. The biggest win was on December 13th, 1930, in Division Two, George Bargh, our present coach, contributing three goals, Bill Tremelling two, and Jimmy McClelland two to a 7-0 win.

Following is a record of post-war P.N.E. v. Cardiff match results :—

Year	*Division*	*home*	*away*	*Year*	*Division*	*home*	*away*
1949-50	II	3-0	2-3	1956-57	I	6-0	3-2
1950-51	II	1-1	2-0	1960-61	I	1-1	0-2
1952-53	I	2-3	2-0	1962-63	II	2-6	1-1
1953-54	I	1-2	1-2	1963-64	II	4-0	4-0
1954-55	I	7-1	5-2	1964-65	II		3-3
1955-56	I	1-2	1-3				

It will be noticed what a spate of scoring there has been in the last few years — 61 in 13 matches ; also that Cardiff have won at Deepdale four times !

CARDIFF CITY PLAYERS

There is a decidedly "new look" appearance about the players named as likely to represent Cardiff City in this match, although it may be that changes have had to be made, or deemed to be necessary, through what happened on Saturday when the Welsh club had a fixture at Plymouth.

One could almost say Welsh team. For there are no fewer than eight players from the Principality in the anticipated line-up. Three of these are renowned. Everyone in football has either seen or heard of the brothers **JOHN** and **MEL CHARLES** and **IVOR ALLCHURCH**, all Welsh internationals on numerous occasions and prominent with other clubs. John Charles, indeed, is world famous through being so much in the public eye when blazing the trail for British players in Italy.

Familiar missing names of players who have either left Cardiff or are not in the first team at the moment are those of G. Vearncombe, Ron Stitfall, Peter Hooper, Derek Tapscott, Alan Harrington, T. Edwards, Dick Scott, Graham Coldrick, Trevor Peck, Colin Baker and Alan McIntosh, to mention eleven who have served Cardiff well.

As always, the Cardiff management have not been backward in scouring the fruitful South Wales countryside for any likely-looking young talent.

Five of the named side were born at Swansea — right half **STEVE GAMMON**, left half **BARRIE HOLE**, and the three notabilities mentioned, Allchurch and the Charles brothers. The first two are locals, found on the "doorstep" of Ninian Park, so to speak, and developed there; the others cost a deal of money and gave added stature, distinction and no little skill to the Cardiff team.

Ivor returned to his native land after charming the football-wise Newcastle fans with his poise and delicate air. Mel Charles was signed from Arsenal and John came back from wanderings to Leeds and Italy, with a fortune accumulated en route.

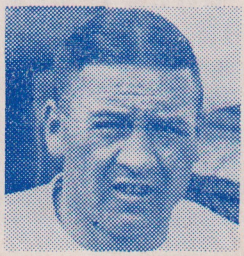
Another local is right full back **PETER RODRIGUEZ**, born Cardiff. He put in 22 League appearances last season. Right winger **BARRIE LEWIS** is a local product born at Merthyr, and outside left **GERALD KING**, aged 17, is a recently signed recruit who was born at Knighton in Radnorshire, Wales. He is said to possess much promise.

In goal Cardiff have **ROBERT WILSON**, Birmingham-born and just signed from Aston Villa, which club he joined in September, 1961. He made nine League appearances last season. At 21 he can look hopefully to the future and think of Farquaharson.

PETER KING, inside right with 34 League appearances last season, hails from Worcester and formerly played for the club of his native city. This leaves only **ALEC MILNE**, a six footer left back, unaccounted for, and he is a Scot — born at Dundee and, like our Jimmy Smith, a product of Arbroath.

Leading scorers last season — John Charles 11, Ivor Allchurch 11, M. Charles 9, P. King 7 ; most appearances, Allchurch 41.

OLD FAVOURITES 2.— *Alex James*



People don't need to have turned 50 to have seen and revelled in the superb skills of this master craftsman — one of the finest footballers of all time. He flourished in English football for 10 glorious years from 1925 and earned undying renown as an inside left who could make the ball "talk." North End can always claim to have had the best of him as a crowd-mesmerising individualist, an inside left who was a schemer, scorer and supreme entertainer rolled into one. For when he was transferred to Highbury after four memorable seasons at Deepdale he had to change his style in order to become Arsenal's strategist-in-chief. He was seldom a scorer in Arsenal's peak years, but with Preston he got 50 odd goals, many of them marvellous solo efforts, in 156 appearances and twice was leading scorer. Signed from Raith Rovers in September, 1925, he was Preston's football idol. Sad indeed was the day of his transfer to Arsenal in June, 1929, for a then near-record fee. Inimitable Alex gained all the honours — caps, Cup medals, League medals.

SUPPORTERS' CLUB NOTES

An entertainments sub-committee has been formed comprising of committee men J. J. Burns and W. G. Savage who will enrol the asistance of club members to help them with their task of providing entertainment in the new club.

In future there will be artistes appearing at the club on Thursday, Friday, Saturday and Sunday evenings and dancing every Monday except when there is a match here at Deepdale.

Bingo will be on Fridays as usual (Jackpot now on £57) and also on Wednesday when a new and separate Jackpot will be running.

All Weekly Draw agents have recently been ballotting their opinions as to whether the prize money in this competition should be altered. Most of these slips have now been returned and the majority view is that the prizes should remain as they are, *i.e.* five prizes of £50 each.

Car Park Facilities

For the benefit of Supporters' Club members wishing to use the club car park on match days a scheme similar to the one used by North End is being started.

Members will pay a yearly fee of £1 1s. and be issued with a windscreen sticker and only cars displaying these stickers will be allowed to park on match days. Thus avoiding confusion and congestion after the game.

Supporters' Club coaches will leave the club house at 12-30 p.m. on Saturday, September 12th, for the match at Bolton and return straight to the club after it. The fare is 3/9.
